Declaration of consent and general regulations for the use of personal data

The International Catholic Chaplaincy of the Archdiocese of Cologne will save the data provided on this form solely for internal use in the organization of our religious education program. The data will be utilized for correspondence with children and their families.

By registering your child(ren), you agree to having your data saved and used for this purpose. Sacraments, such as First Holy Communion or Confirmation, are permanently recorded in the books of the parish where your child was baptized. The date and location of any sacraments received here will be communicated to them.

I permit the contact data which I have provided to be given to the administrators and catechists under the conditions of the data protection regulations. This consent may be withdrawn at any time according to § 8 ¶ 6 of the German Church Data Protection Law (KDG). The revocation is binding for the future, and it does not affect the properly used data permitted until the said revocation. Additionally, you have a right for information, rectification, deletion, limitation of use, transferability, objection and complaint (§ 17 – 25, 48 KDG). To make use of your data protection rights, please contact one of the offices or priests. God bless.
